Nutrition Practice Disclosure and Consent Form

I, Jacqueline Chiplin, am a Nutrition Consultant. I graduated from Hawthorn University as a certified Nutrition Consultant in 2015. I am NOT A PHYSICIAN and therefore I will not diagnose, treat a disease or prescribe medication. I will, however, support the pursuit of lifelong health and wellness with instruction and education regarding diet, lifestyle changes and exercise.

The nutrition services offered by Jacqueline Chiplin are not licensed by the State of Colorado and as such are not considered state-regulated health care or healing arts. This statement is in accordance with the Colorado Natural Health Consumer Protection Act (SB-13-215).

Client Consent Disclosure

I, the client, have read the information provided in this Disclosure and understand that the nutrition services offered are not a replacement to medical care or treatment for any health problem or condition. I do understand that the services offered relate to wellness rather than to disease. I, the client, decide to choose self-responsibility for my wellness and certify that I am acting on my own behalf in this regard.

I certify that I currently am.... am not under the care of a physician for health problems or medical conditions. If so,

Welcome to my practice,

The foundation of all nutrition instruction and education that I give is dedicated to a holistic approach, focusing on the inextricable link that exists between body and mind, ultimately the healing of the whole rather than the part.

As a nutrition consultant, I will provide you with the following kinds of services:

- Nutrition and health evaluations using appropriate questionnaires and dietary software tools to assess nutritional deficiencies and the need for lifestyle changes

- Education and advice to achieve optimum nutrition needed to support a healthy mind and body
- Education and advice to support a healthy lifestyle including exercise.

Colorado law requires that once you have signed this form, you are entitled to keep a copy. I will keep a copy in my files for at least 3 years.

As you have been made aware, my services are considered alternative to those licensed by the state. For your information, the end of this form sets out the requirements made by the Colorado Natural Health Consumer Protection Act (SB-13-215).

To provide the best support possible, I recommend that any concerns regarding my services are discussed directly and that you inform your physician that you are receiving nutrition services for your health.

Services Consent

I, the client, have read and understand the above disclosure, I understand that the services offered by Jacqueline Chiplin are related to wellness and not the treatment of disease. I understand that Jacqueline Chiplin is not a licensed physician and that the services are not licensed by the state of Colorado. I consent to use the services offered and recognize personal responsibility for the service fees.
